Mr. Flint called the meeting to order and called the roll. Three Board members were present in person and two joined via Zoom constituting a quorum.

SECOND ORDER OF BUSINESS Public Comment

THIRD ORDER OF BUSINESS

Approval of the Minutes of the October 24, 2023 Meeting

Mr. Flint presented the minutes from the October 24, 2023 meeting. He asked if there were

any comments, corrections, or questions. There being none, he asked for a motion of approval.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, the Minutes of the October 24, 2023 meeting, were approved, as presented.

FOURTH ORDER OF BUSINESS

Consideration of Notice of Release of Liens and Agreement for School District of Osceola County, Florida Property

Mr. Earlywine stated that a lot of times when there is a school district within the CDD they want to make sure they are not subjected to CDD assessments. This document states that as long as the school board owns the property and uses it for a governmental purposes, the District will not impose operation and maintenance assessments or debt services assessments. This is a document makes that point clear for both parties. Mr. Earlywine asked for a motion to adopt the agreement and to authorize the Chair to execute. Mr. Craig Perry made a motion to approve the notice of release of lien and agreement for the school board as long as the school board moves forward.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, the Notice of Release of Liens and Agreement for School District of Osceola County, Florida Property, was approved.

FIFTH ORDER OF BUSINESS

Consideration of Assignment & City of St. Cloud Interlocal Agreement and Petitioner's Agreement

Mr. Earlywine presented the interlocal agreement with Osceola County with the idea being the District accepts the obligations of the developer and release the developer under the prior agreements because the District will take on the responsibilities of the developer under the prior agreements. The county and city require the developer to put in certain enhancements and the agreement was originally for the developer to install those. Once the District is up and running, it assumes that responsibility and because of the annexation it also gets assigned to the city. This document sets all those parameters and requirements. It terminates the obligations of the developer because the District is taking on those responsibilities and also recognizes that the city is assuming the benefits of the agreement from the county. He offered to answer any questions and noted that they are looking for a motion to adopt the agreement and authorize the Chair to execute.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, the Assignment & City of St. Cloud Interlocal Agreement and Petitioner's Agreement, was approved.

SIXTH ORDER OF BUSINESS

Consideration of Underwriting Agreement & G-17 Disclosure Letter from FMSBonds, Inc.

Mr. Flint stated that this action item is an agreement with FMSBonds for underwriting services and includes the G-17 disclosure that are required to make under the MSRB rules. The fee is contingent on the actual bond issuant and is paid out of the proceeds of the bonds. He asked for any questions the Board may have. Hearing no questions, there was a motion of approval.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, the Underwriting Agreement & G-17 Disclosure Letter from FMSBonds, Inc., was approved.

SEVENTH ORDER OF BUSINESS Staff Reports

A. Attorney

Mr. Earlywine had nothing further to report to the Board, so the next item followed.

B. Engineer

RE:

MEMORANDUM

| District Managers and Secretaries |
|-----------------------------------|
| Kutak Rock LLP |
| March 25, 2024 |
| |

Public Records

Recently, we have seen some confusion regarding who is the person ultimately responsible for the maintenance of a special district's ("District") public records and performing the associated duties. The purpose of this memorandum is to clarify the roles of the person(s) responsible for maintaining public records. In addition, it provides a form and process for a) the District's Secretary to designate a designee under section 119.011(5), Florida Statutes, and b) the Secretary to appoint a Records Management Liaison Officer under section 257.36(5)(a), Florida Statutes.

It is important to note the distinction between the Secretary and the Records Management Liaison Officer. While the Records Management Liaison Officer has some duties related to public records, the Records Management Liaison Officer reports to the Secretary, and the Secretary has the ultimate responsibility for the District's public records.

Records Custodian

Rule 1.1(2) of the standard Rules of Procedure provided by Kutak Rock provides that the Secretary is the District's official Custodian of Public Records. The Secretary is often an employee of the district manager, but sometimes it can be a board member or another person.

The definition of "Custodian of Public Records" in section 119.011(5), F.S., requires the Custodian of Public Records of a District to be an elected or appointed officer charged with the responsibility of maintaining the office having public records, or his or her designee. Because the Custodian of Public Records must be an elected or appointed officer, a district management company cannot be designated as a Custodian of Public Records. Further, should the Secretary designate someone else under section 119.011(5), F.S., such a designation may not relieve the Secretary of the statutory obligation and so such designations should be carefully considered. With that said, it may make sense for the Secretary to appoint a designee to be listed as the Custodian of Public Records in standard contract language designed to direct public records requests to the appropriate employee of the district manager.

Records Management Liaison Officer

Section 257.36(5)(a), Florida Statutes, requires a District to designate a "Records Management Liaison Officer." The standard records retention resolution provided by Kutak Rock provides that the "Records Custodian," as defined therein, appoints the Records Management Liaison Officer. Specifically, it provides:

KUTAKROCK

SECTION 1. The District hereby authorizes the District's records custodian to appoint a Records Management Liaison Officer and report such appointment to the appropriate State of Florida agencies. A Records Management Liaison Officer shall be an employee of the District or the District Manager. The Board, and the District's records custodian, shall each have the individual power to remove the Records Management Liaison Officer at any time for any reason. Immediately following the removal or resignation of a Records Management Liaison Officer, the District's records custodian shall appoint a replacement Records Management Liaison Officer.

SECTION 2. The duties of the Records Management Liaison Officer shall include the following:

A. serve as the District's contact with the Florida Department of State, State Library and Archives of Florida; and

B. coordinate the District's records inventory; and

C. maintain records retention and disposition forms; and

D. coordinate District records management training; and

E. develop records management procedures consistent with the below Records Retention Policy, as amended; and

F. participate in the development of the District's development of electronic record keeping systems; and

G. submit annual compliance statements; and

H. work with the Florida Department of State, State Library and Archives of Florida to establish individual retention schedules for the District, from time to time and as may be necessary; and

I. such other duties as may be assigned by the Board or the District's records custodian in the future.

Form and Process

Historically, there has not been a formal process to document the Secretary's designation of a designee under section 119.011(5), F.S., or to document the Secretary's appointment of a Records Management Liaison Officer to the Board. To remedy this, we have provided a simple form for the Secretary to complete which is attached as Exhibit A hereto. We recommend the following below process.

Records Custodian

- 1. The Secretary identifies if there is a need to appoint a designee under section 119.011(5), F.S., and if so, who that designee should be.
- 2. If there is a need, the Secretary completes the first paragraph of Exhibit A and fills in the name of the designee in the second paragraph of Exhibit A.
- 3. The Secretary then signs the form and includes it in the next agenda under manager's report as an informational item only, as no Board vote is required.
- 4. The same process is completed each time a designee is removed or replaced.

Records Management Liaison Officer

- 1. The Secretary identifies the person who will be appointed the Records Management Liaison Officer under section 257.36(5)(a), F.S.
- 2. The Secretary completes the first paragraph of Exhibit A and fills in the name of the Records Management Liaison Officer in the third paragraph of Exhibit A.

KUTAKROCK

- The Secretary then signs the form and includes it in the next agenda under manager's report as an informational item only, as no Board vote is required. The same process is completed each time a Records Management Liaison Officer is 3.
- 4. removed or replaced.

Please contact us with any questions.
